

Ceremony 1952

24 April 1952

Dear Mrs. Monkemeyer:

We are happy to have your note of April 23 and to learn that you are coming to the ceremony on the 18th of May. We are sure you will be compensated for your efforts in making the trip to the Colonnade.

Just exactly how we acquired your name for our invitation list is a little difficult for us to say. The list is made up of so many diversified groups, including members of our own faculty, former participants in ceremonies, distinguished persons in the Arts and Sciences, and Letters, various patriotic organizations, and many others, that it grows each year, and unless we have correspondence with a particular person, we tend to lose control of the identity of each individual.

Looking forward with pleasure to greeting you on the 18th of May, believe me,

Cordially yours,

Bertha L. Lyons (Mrs. N.)
